

CONNECT MEMBER OF THE PUBLIC USER GUIDE

1 Purpose

Standards Connect provides real time visibility of Standards development project statuses and committee membership to stakeholders engaged within a project.

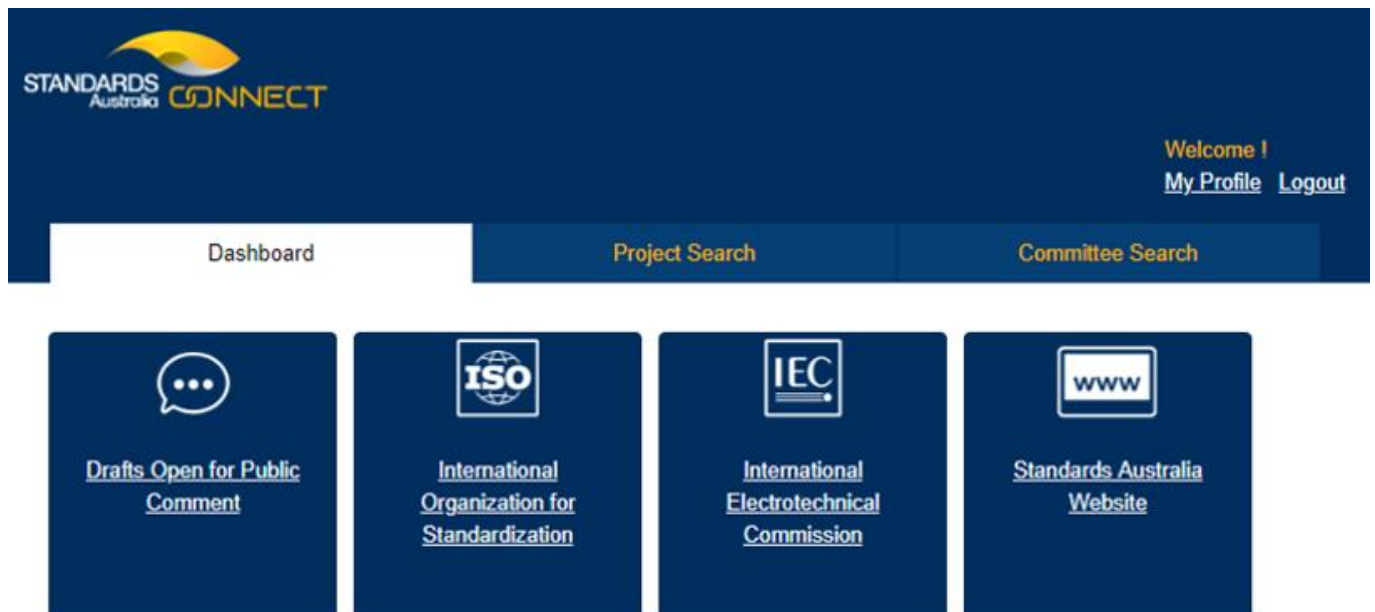

This Guide provides an overview of functionality and information available to members of the public in Standards Connect.

2 Navigating Standards Connect

2.1 Dashboard

The Standards Connect 'Dashboard' provides access to:

- **Drafts Open for Public Comment:** Directs users to a list of all projects open for Public Comment.
- **International Organization for Standardization (ISO):** Directs users to www.iso.org.
- **International Electrotechnical Commission (IEC):** Directs users to www.iec.ch.
- **Standards Australia Website:** Directs users to www.standards.org.au.

2.2 Project Search

The 'Project Search' tab:

- Displays a list of Projects recently viewed by the user.

Recently Viewed Projects

<p>SA/SNZ HB 119</p> <p>Mines and quarries electrical protection</p> <p>Commenting Completed</p>	<p>SA/SNZ HB 168</p> <p>Title2-Test3- 2 Dec Reconfirmation</p> <p>Commenting Completed</p>	<p>AS 5225</p> <p>Title1-Test1 8 October</p> <p>Commenting Completed</p>	<p>AS/NZS 5206</p> <p>Title3-test3-1 October</p> <p>Commenting Completed</p>
--	--	--	--

- Enables users to Search for a Project and filter the search results by Project 'Status', 'Committee' and Project 'Phase', and view either 'All Projects' or 'All Projects in Public Comment'.

Search for a project

Enter Project Title or Designation

Filter By Status Filter By Committee Filter By Phase

All Projects All Projects in Public Comment

Designation	Project Title	Project Status	Committee	Phase
SA/SNZ HB 119	Mines and quarries electrical protection	Active	EL-028	Public Comment
2308	Title 4	Active	ZZ-024	Public Comment
2309	Title 5	Active	ZZ-024	Public Comment
AS 81000 3 100	Title1-Test1- 28 September	Active	PP-091	Public Comment
AS/NZS 5206	Title3-test3-1 October	Active	PP-091	Public Comment

- When users select a particular Designation the screen displays summary information about Project 'Milestones', 'Project Details' and 'Public Comments'. If the Public Comment period for the draft is still open a 'Comment' button will be displayed, enabling users to comment on the draft.
